Dear Mrs. Plasier:

Re: Proposed Annexation No. 2 to the
City of Paramount

At the meeting held on June 28, 1961, the County Boundary Commission reviewed the boundary description and map submitted by Mr. Herbert W. Lehfeldt, Director of Public Works of your City, with his letter of June 9, 1961, of the proposed annexation of territory to the City of Paramount.

At the request of Mr. Lehfeldt, a portion of the westerly boundary was revised to coincide with the westerly boundary of the Long Beach Freeway.

The boundaries submitted do not create corridors of unincorporated territory and conform with record lines and lines of ownership. This proposed annexation divides an existing island of unincorporated territory into two smaller islands.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,
